## EDUCATIONAL RIGHTS FOR CHILDREN AND YOUTH LACKING FIXED, REGULAR, AND ADEQUATE HOUSING

### Families should know:

- You do not need a permanent address to enroll your child in school.
- Your child cannot be denied school enrollment when school records or other enrollment documentation are not immediately available.
- Your child may be able to remain in the same school (school of origin) even if you move.
- When in your child's best interest, he or she has the right to request transportation assistance.
- Schools must provide you with a written explanation if a placement dispute occurs, and you may appeal the school's decision.
- Your child automatically qualifies to participate in free breakfast and lunch programs.
- Your child has the right to participate in extracurricular activities and all federal, state, or local programs for which he/she is eligible.

Youth not accompanied by a parent or guardian and lacking fixed, regular, and adequate housing have these same rights.
